

**ARIZONA STATEMENT OF CITIZENSHIP
AND ALIEN STATUS FOR STATE PUBLIC BENEFITS
Professional License and Commercial License**

Arizona State Board of Athletic Training

The Immigration Reform and Control Act of 1986 made it illegal to knowingly hire individuals who do not have the right to work in the United States of America. To be in compliance with this law, the Board of Athletic Training, prior to licensing an individual, needs to assure that they are licensing a person or persons who have the right to work in the United States.

Arizona Revised Statutes §1-501 requires, in general, that a person applying for a license must submit documentation to the licensing agency that satisfactorily demonstrates that the applicant is lawfully present in the United States.

This law applies to individuals seeking an initial license or individuals seeking to renew an existing license.

Directions: Submit this completed form and copy of one or more documents that evidence your citizenship or alien status with your application for license or renewal.
